Access Denied

When your visitor exits the Estate

Once you have granted access to your visitor by pressing 9 on your phone your visitor will receive a printed slip containing a one-time PIN for use at the entrance and the exit

The PIN number must be presented by the visitor (on the keypad) to enter and exit the Estate.

The expiry date and time of the PIN is indicated on the slip.

Should your visitor arrive at the exit gate with an expired PIN number, the guard will contact your unit as per the entry process described above to activate a new exit slip.
